Dear Student-Athlete:

Welcome back for new school year, a year I pray will be successful for you, academically, athletically, personally, and spiritually. As the Principal of Saints Peter and Paul High School, I am immensely proud of the athletic program of our school, and especially the student-athletes who represent it so well, in the classroom and on the athletic fields of play. As a former three-sport athlete and coach, I know the commitment, time, and dedication that you put forth. Your ability to excel in the classroom, work hard on the field, and manage your time with all other responsibilities is truly impressive. That is a sense of accomplishment that you should never minimize, and will reap tremendous reward in the years ahead.

One of the challenges of being a student-athlete at Saints Peter and Paul High School is accepting the mantle of leadership and responsibility. As a Sabre student-athlete you are naturally a leader in our school, your church and community, and I hope you realize and relish that opportunity to lead and serve. I have great expectations of the student-athletes at Saints Peter and Paul High School as students of intellect, athletes of perseverance and persons of integrity. You are held to a **higher standard** because you are a public representative of our school, your faith, **and** because you are capable of it. Embrace that challenge for your team and your school.

Again, please accept my best wishes for a safe, healthy and successful season and year. I look forward to seeing you participate this year, applauding your excellence on the field and in the classroom, and continuing to build the spirit that is Saints Peter and Paul High School. You are a source of Sabre Pride to our school! I remain,

Yours in Christ,

Sportsmanship Guidelines

As a Catholic institution, Saints Peter and Paul High School promotes sportsmanship as an essential ingredient to the success of its athletic program and the development of character values in our student-athletes. As a student-athlete, spectator, coach, or parent, you represent our school and church community, and are a reflection of the values that we seek to exemplify on a daily basis. Your conduct on and off the athletic field, and your deportment to your teammates, opponents, officials, and guests is to be of the highest order. Anything less is not befitting the tradition of Saints Peter and Paul High School.

Sportsmanship: The Student-Athlete's Role

On and off the athletic field, Saints Peter and Paul High School student-athletes are expected to:

1. Be respectful and courteous to officials, opponents, and guests at all times.
2. Refrain from profanity, vulgarity, and improper gestures.
3. Be a worthy representative of their teammates, coaches, school, and family.
4. Abide by all school rules of conduct and consistently reflect the values of commitment and hard work.
5. Refrain from taunting or excessive celebration during the course of a game or after.
6. Accept the responsibilities of team membership through cooperation, support of teammates, positive interaction, and mutual respect.
7. Not participate in or allow the act of hazing of any teammate.
8. Strive for academic and personal excellence and be a role model to all students at Saints Peter and Paul High School.

Sportsmanship Guidelines

Sportsmanship: The Parent's Role

Being a parent of a high school student-athlete can be a great experience. Parental participation and support is very important to their student-athletes, our high school, and community. To make this experience the most rewarding for all concerned, the following are some suggestions on being a supportive athletic parent:

1. ***Be Positive*** - Do not let playing time dictate your student-athlete's success or happiness. Celebrate the fact he or she is part of the team. It is especially important to remain positive when things are not going well for your son, daughter, or their team.
2. ***Be Supportive of the Coaching Staff*** - Nothing can injure teamwork faster than student-athletes doubting the capabilities of their coaches. The coaches are doing their best at all times to be proper role models as well as teachers of the game. If you have concerns, see the coach or the Director of Athletics. You might not always agree with the answer, but you should always be supportive of the team and the school.
3. ***Positive Parent Networking*** - Very special relationships can be fostered over the careers of your student-athletes by socializing with other parents. This socialization can take place at games, after games, at team dinners, etc. Parents need support too! Be positive with each other and do not hesitate to remind each other about remaining positive at all times. If you hear a "rumor" that concerns you about any athletic issue, contact the Director of Athletics for clarification. Do not perpetuate a rumor by passing it on or by remaining silent about an issue that could affect a program and our student-athletes.
4. ***Winning and Losing*** - It shall be our coaching staff's goal to pursue excellence in the school's athletic program, through motivating students to achieve to the best of their ability in all things, while honoring Christ with their talents. Winning can be a natural and enjoyable outgrowth of this attitude. Everyone enjoys a well-played victory, but a 'winning is everything' philosophy cannot be the controlling force.
5. ***Expectations*** - Having lofty expectations for our children is a normal and healthy goal. In striving for these expectations, we must also be realistic. Not everyone can receive a college scholarship, nor should the number of offers measure the success your son or daughter receives. Remember, athletics is vehicle for the college process, but not the primary reason to go to college!

SAINTS PETER AND PAUL HIGH SCHOOL

Athletic Department

Policy Against Hazing & Initiation

It is the respect for the human dignity of each person that is central to our mission as a Catholic school. The Athletic Department believes that hazing demeans those who participate and is fundamentally incompatible with the Gospel imperative that guides our school and its athletic program. In accordance with Maryland Law, hazing and initiations are strictly prohibited, whether or not the person has consented to participate in any hazing activity for any reason.

Examples of such activities include, but are not limited to, a student-athlete being,

- 1) Yelled at, cursed or sworn at, humiliated, ridiculed or physically or psychologically abused;
- 2) Forced or expected to participate in tattooing, piercing, head shaving, receiving or giving extreme hair cuts or branding;
- 3) Forced or expected to wear embarrassing clothing;
- 4) Forced or expected to drink alcohol;
- 5) Instructed to participate in calisthenics not related to required conditioning for the sport in which the student-athlete participates;
- 6) Required to act as personal servant to players;
- 7) Transported and abandoned;
- 8) Forced or expected to consume inappropriate concoctions;
- 9) Expected to associate only with specified people;
- 10) Required to conduct hunts or quests;
- 11) Forced to engage in public stunts or buffoonery;
- 12) Required to engage in or simulate sexual acts;
- 13) Threatened or physically restrained or abused (such as being held down, tied or taped up, or confined in a small place);
- 14) Required to appear nude or semi-nude in either public or private places;
- 15) Expected to damage, destroy or steal property.

The School and its Athletic Department is firmly committed to vigilant enforcement of this policy and will promptly and thoroughly investigate any allegation of hazing or initiation. Should a violation be found, the student-athlete(s) involved could possibly be expelled or suspended. Student-athletes who are directly (participant) or indirectly (knowledgeable bystander) involved will be treated with equal regard in these matters. The Director of Athletics, along with the Principal and respective head coach of the specified team, will conduct a timely, fair and impartial investigation into the pertinent incident of hazing and initiation.

Care Instructions for Uniforms

Laundry Preparation

- 1) For best results, launder uniforms immediately after each wearing. Garments that cannot be cleaned promptly should be hung individually on rustproof hangers or hooks. Perspiration fading may occur if wet garments are left in a pile.
- 2) Remove all contrast color items (belts, etc.) from garments and wash separately.
- 3) Before laundering a load of new uniforms, wash a sample uniform according to label directions.

Soaking

- 1) Heavily soiled garments should be soaked in lukewarm water with a protein release agent for a maximum of 45 minutes.
- 2) Cold or hot water soaking can cause color bleeding.
- 3) Immediately after soaking, garments should be run through a normal wash cycle.

Washing

- 1) Do not wash white and colored garments together.
- 2) All garments should be washed in cold water. Rinse water temperature should not vary more than a few degrees from wash water temperature.
- 3) Use a mild detergent (pH under 10.0) for washing all uniforms.
- 4) Only when uniforms are extremely soiled should the water level be lowered to increase mechanical action.
- 5) Avoid overloading the machine as this causes shrinkage and impedes the cleaning process.
- 6) Use an anti-static agent, especially on garments to be tumbled dried, to maximize lint attraction and spark discharge.
- 7) Remove garments promptly from washer to avoid color bleeding.

Bleach

- 1) DO NOT USE CHLORINE BLEACH as it fades colors and weakens some materials.
- 2) DO NOT BLEACH any garment that carries braid or trim.
- 3) When bleach is required on an all white garment, use a light application of an oxygen-based bleach.

Student-Athlete Driver Policy

There are many student-athletes who drive to school. In order to insure the safety of the elementary and high school students immediately after school and the students enrolled in the aftercare program, high school student-athletes are not allowed to park in the bus area or playground area.

Student-athletes may park in the rear parking lot adjacent to Route 50, or in faculty lot at the High school if space is available after 3:45 p.m. On early dismissal days you may enter the parking lot at 1:30 p.m. if space is available. Drive slowly when pulling onto campus; cars must travel at a rate less than 5 miles per hour. Failure to comply with this rule can result in the loss of driving and/or parking privileges.

Student-athletes are allowed to store equipment in their cars during school. In order for a student-athlete to be able to go to his/her care during school hours on away game days the car must be parked on the school lot by Route 50 or along side of Choptank Avenue on the school side. This is considered school grounds and student-athletes will not be considered to have left school grounds to obtain equipment.

While the opportunity to keep equipment in the car may seem like a good idea, remember that departure times will be followed closely and lateness due to equipment in a car could result in the athletic bus leaving without you.

SAINTS PETER AND PAUL HIGH SCHOOL

Consent Form for Athletic Participation

If your son or daughter intends to participate in Saints Peter and Paul High School interscholastic or club sports programs, you are required to complete this form. This form must be on file in the athletic office prior to taking part in any conditioning, practice, or game.

I give my permission for _____ (name of student) to participate in the Saints Peter and Paul High School athletic program, realizing that such activity involves the potential for injury that is inherent in all sports. I acknowledge that even with the best coaching, use of the most advanced protective equipment and strict observance of the rules, injuries are still a possibility. On rare occasions, these injuries can be so severe as to result in total disability, paralysis or even death.

In consideration of the opportunity for my son/daughter to participate in this activity, I agree to release and save harmless Saints Peter and Paul School and Parish, Robert Coine, Pastor and any employees from any liability, claims, demands, actions and causes of action arising out of or relating to any loss, damage, or injury sustained in connection with my son/daughter's participation in this activity.

I hereby grant permission to the school's representative in charge to obtain medical care from a licensed physician, hospital, or medical clinic for my son/daughter in the event that I cannot be reached.

In the event that the school or its representative deems hospitalization necessary, I authorize the school to have the student transported to the nearest hospital. I understand and agree that if there is any question concerning the severity of an illness or injury, Saints Peter and Paul High School policy dictates that an ambulance will be summoned to transport a student for proper medical evaluation, and that ambulance and medical fees are the responsibility of the family of the injured student.

Athletics allows me to utilize my talents in a way that is productive for others and me. Good sportsmanship is crucial to who I am as a student-athlete in a Catholic institution and focuses my success on the field and off. Only through being respectful of others and their talents can I really appreciate my own. I know and accept the challenge of being a person of faith, honor, and integrity. The lessons of teamwork, fair play, loyalty, and dedication that I learn while participating in athletics will help me work with others towards a common goal.
